Bellavista Residences, perched above Punta Mita's Jack Nicklaus Signature Pacifico Golf Course, offers an elevated perspective of the Pacific Ocean, the Bay of Banderas, and the Sierra Madre mountains. These luxury homes blend modern sophistication with expansive indoor and outdoor living spaces, featuring private terraces and floor to ceiling windows that invite the surrounding landscape inside. With four bedrooms, refined finishes, and exclusive access to Punta Mita's beach clubs, golf courses, and resort amenities, Bellavista delivers a rare combination of elegance, comfort, and panoramic beauty.

House Layout

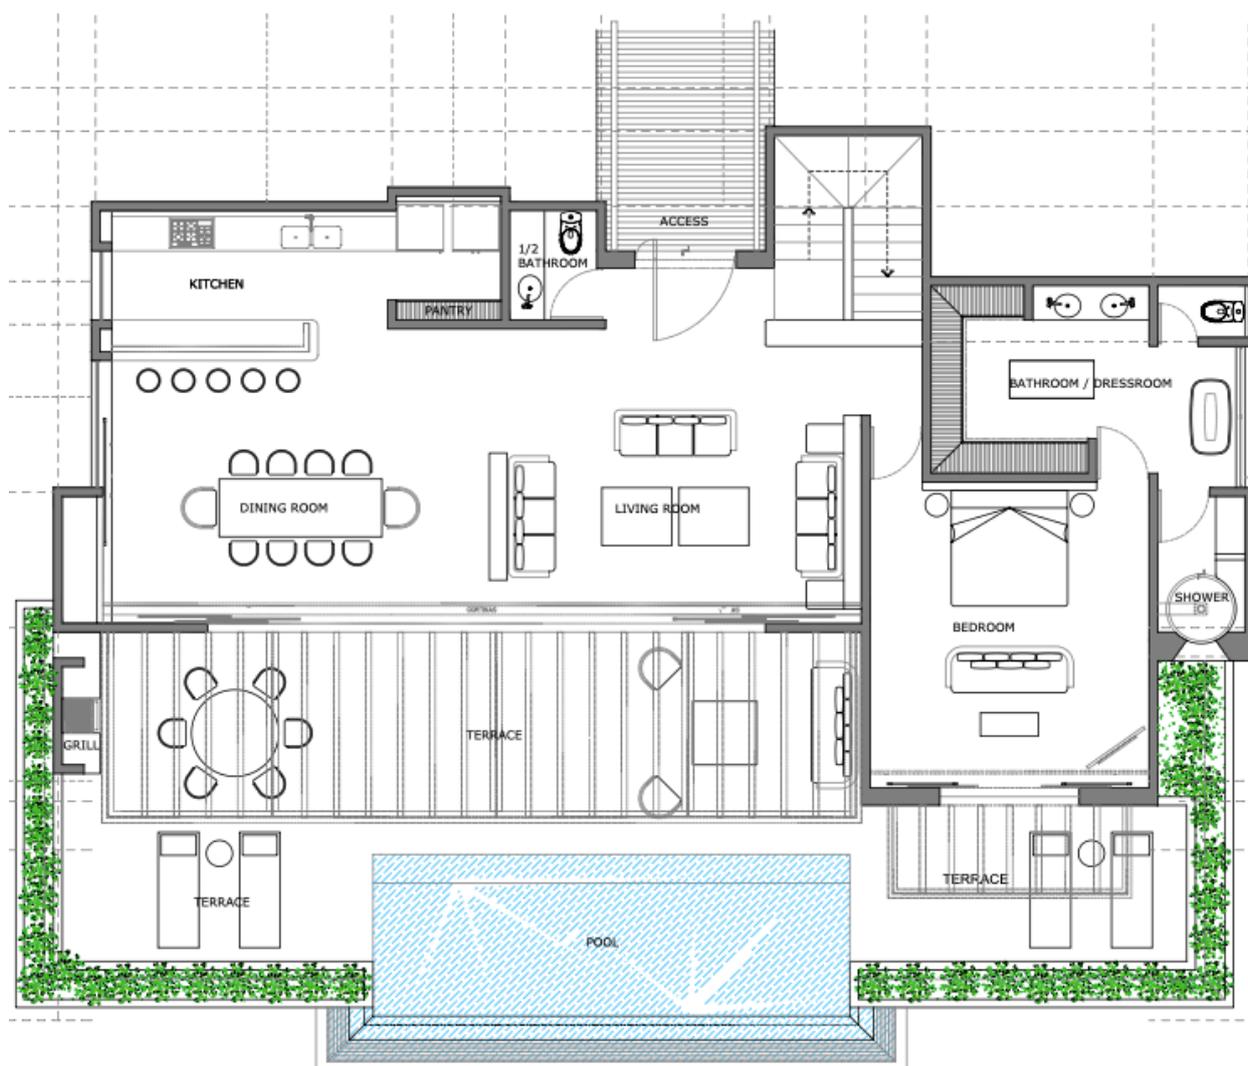

Ground Floor

The ground floor offers a private sanctuary for rest and relaxation, featuring generously sized bedrooms, each with its own terrace and ensuite bathroom. Thoughtful circulation maintains privacy while providing direct access to outdoor gardens and shaded living areas. Spacious closets, serene bathrooms, and well-planned layouts enhance comfort throughout. This level is crafted to provide a peaceful retreat, where every room opens to the surrounding nature and reflects the elegance of refined coastal living.

House Layout

First Floor

The first floor of the residence is designed as the heart of coastal living, where expansive social spaces flow naturally toward the terrace and pool. An open layout connects the kitchen, dining room, and living areas, all oriented to capture natural light and sweeping views. Outdoor dining, shaded lounge spaces, and the pool terrace create an effortless indoor-outdoor experience, ideal for entertaining or relaxing. Quiet corners and refined finishes complement the thoughtful distribution, making this level both functional and beautifully inviting.

Bellavista is more than a residential concept—it is a visionary enclave shaped by the geography of Punta Mita’s most dramatic ridgeline. Each residence is intentionally positioned to embrace the horizon, offering sweeping views that shift from sunrise over the mountains to golden sunsets across the Pacific. The architecture honors its surroundings with clean lines, natural materials, and expansive outdoor living spaces that dissolve the boundary between home and landscape. In Bellavista, every angle, every elevation, and every detail is designed to elevate the experience of coastal luxury.

From its privileged perch above the Jack Nicklaus Signature Pacifico Golf Course, Bellavista invites owners into a world where privacy, nature, and elegance coexist effortlessly. This limited collection of homes grants access to Punta Mita’s most coveted beach clubs, world class golf, and resort amenities, while offering the serenity of a secluded mountain vantage point. Life here unfolds at a different pace—mornings framed by ocean breezes, afternoons spent between beaches and fairways, and evenings illuminated by infinite skies. Bellavista is not simply a place to live; it is a rare opportunity to inhabit Punta Mita from its most inspiring and majestic perspective.
