Montage Residences Punta Mita presents a refined collection of ocean-view homes where architecture, landscape, and lifestyle come together with exceptional harmony. Each residence is conceived to maximize natural light and frame panoramas of Las Marietas and Bahía de Banderas, while expansive terraces extend the living spaces outward. The limited inventory, with prices starting at US\$4,950,000, offers a rare blend of privacy and resort sophistication. Thoughtful layouts, luxurious finishes, and seamless indoor-outdoor flow define these homes, creating an environment where relaxation, elegance, and the spirit of Punta Mita elevate everyday living.

Montage Residences Punta Mita is more than a residential offering — it is a sanctuary shaped by the natural splendor of Mexico's Pacific coastline. Each residence is intentionally positioned to embrace the horizon, capturing sweeping views that shift from the morning light over the Bay of Banderas to golden sunsets that frame the Marietas Islands. The design language celebrates clean architectural lines, generous terraces, and expansive indoor-outdoor living that dissolves the boundary between home and landscape. At Montage, every elevation, every vista, and every detail is crafted to elevate the experience of refined coastal living.

From its privileged setting within the 63-acre enclave of Montage Punta Mita, this collection invites owners into a world where privacy, nature, and elegance coexist effortlessly. Residents enjoy exclusive access to Montage's world-class amenities — from oceanfront pools and celebrated dining to Spa Montage, Compass Sports, and the peninsula's most coveted shoreline. Life here unfolds at a different pace: mornings shaped by ocean breezes, afternoons discovering beaches and hidden trails, and evenings illuminated by vast Pacific skies. Montage Residences is not simply a place to live; it is a rare opportunity to inhabit Punta Mita from its most inspiring and distinguished perspective.
